PETITION FOR RULE MAKING

Thomas H. Payne, President of FM Station KTMC (FM), of McAlester, OK, Formerly KZBX (FM) and pursuant to Section 1.401 of the Rules of the Commission, hereby submits his Petition for Rule Making to amend the FM Table of Allotments, Section 73.202(b) of the Commissions's Rules as follows:

| | <u>Present</u> | <u>Proposed</u> |
|---------------|----------------|-----------------|
| McAlester, OK | 285A | 286A |

We seek to amend from Channel 285A to Channel 286A, consistent with the Commission's policy of encouraging applicants to upgrade their facilities on the co-channel. Amendment of the commissions's Rules Regarding Modification of FM Broadcast Licenses to Higher Class Co-Channel or Adjacent Channels, 60 RR2d, 114,118 (1986).

The attached spacing study demonstrates that the proposed Amendment is fully spaced to all existing and proposed facilities.

KTMC-FM is the second station licensed to McAlester, OK. We are slightly short spaced on the North to KREK-FM of Bristow, OK. Alleviating the short spacing will allow us to more fully cover our primary area, which is very uneven terrain thus benefiting our community.

For the foregoing reasons, I respectfully request that the Commission issue a Notice of Proposed Rule Making proposing the amendment of the FM Table of Allotments as proposed above be granted accordingly. KTMC-FM is ready, willing and able to make the change and will file a 301, Minor Application upon granting our petition.

Respectfully submitted,

Thomas H. Payne
